

2015 North and Central Texas Model Aviation Events List 1A 12-01-14

These 2015 model aviation events for the north and central Texas region are derived from the following sources:

AMA Contest Calendar: <http://www.modelaircraft.org/events/calendar.aspx>

AMA District 8 Events Calendar: <http://www.ama-dist-8.org/Calendar/index.php>

IPMS/USA Events Calendar:

<http://ipmsusa.org/MemberServices/EventsCalendar/EventCalendarList.asp>

It is always a good idea to check the event's website a couple of weeks before the event date to look for changes in event status like a cancellation or change of date.

This list is tailored to my interests of Swap Meets, Electric, Indoor, Float Flys, Plastic Models, Free Flight Scale, and Scale. I have generally excluded fuel events except for Scale and Float Flys.

If you have any new information or see any errors, contact me through the webmaster: webmaster@fwthunderbirds.org
